C ii HOWILK Secretary

The City Council last night put out \$975 62 for the police fund What arrest of an occasional drunk or the stead strike. He says that he left locking up of a vagrant Murders the employ of Mr 1 rick in 1891 and the murderer allowed to e-cape the 'old Sleuths' being afraid of his ready gun. Safes are blown houses burglarized, business rooms are en tered in divlight and cash drawers rifled, but no one is apprehend d for police force appears ab'e to do suc do that act with readiness precision and dispatch But to pay \$375.62 month for Ed a retention seems rather high A dozen wooden policemen could then save the cost of monthly is at present afforded the city

estate was secured in Allen county and we also denounce the system of Ring rule in this county under which our sum total of taxes have been en ormously increased until they are counting of the same wealth by from one hundred to one hundred and fifty thousand dollars per annum'

A comparison of the taxes collected before and after the reappraisement of the property shows that the last year pieceding the new appraisement the total taxes collected for county purposes was \$149,200 98 In 1891 the first year following the new appranement, it was nearly \$15,000 less. the tax that year aggregating 8135 355 59 'In the year 1891 the recode of Alien county, by a vote, ordered the erection of a %>0 000 Children > Horae, and a le v was made which is cluded an an ount to be applied to amount collected that year \$161 877 -18 Without that additional expense the profit realized from their labor the it may not be needed to the denies that the county tax would have been re duced in quite a large amount

The effort of the party in the adop tion of that resolution was to deceive the people to draw the attention of the taxpayers from the enormous rally the states receiving them have even increase in taxation in this city, in since mustcal on also receiving pay for which under Republican idministra- then keep tion we are struggling along under a territory, as distinguished from the do-

ANOTHER CHAPTER.

Che Public Greaning on Accoun

We are now living under a reform Republican municipal administration in Lama Every branch of the service save the water works is in the hands of the Republicius, and already the taxes are piling up moun tain high Salaries of public officials are being increased while the incomes of the phymasters-the tax payers, are being diminished

In previous issues we have adverted to the increase in the tax buiden of this city in the amount of \$10,000 for increasing salaries and for provid ing more money in the general and light funds to be soundered We now wish to call attention to the load continued this year for

The mills of the Gods grind slow but exceeding line." For almost a year the few cyclers and their friends at Cairo have been claiming that a blevele could beat a horse for one and a half or two miles. They have been showing long and loud and after the race at Lima they had the courage to arrange a race with Daniel Halpster, of our district, from Cairo to his home a little over one and a half miles, to be run on the evening after the race at Lima at 5 o'clock. Promptly at that time Clay (Mr. Harpster's son who was tamed after the great Kentucky orator) made his appearance at the corporation line cast of Cairo on his "famous mare" who was soon to add new laurels to her brow. Mr. Wim, Vance, who is good sprinter and who has been known to outrun a bock in an open field, together with your correspondent, were to act as starters. The great crowd which had gathered along the road to witness the race waited notil after six o'clock, but Mr. Clyde Roberts, of Columbus Grove, who is spir and death.

Almost everyone has taken up some coupon scheme by which they have procured a set of World's Fair Art Portfolios, commemorative of the many interesting features of the great-

est of the world's expositions. The Fair is dead. Long live the Fair! Let us carry in our minds all "the glory that was of Greece and the grandeur that was of Rome" as we saw it in the days of its existence if we will, but when we are passed away what avails our recollections? Let us do better. Artists have captured all this fugitive splendor with trusty camera and practiced pencil, and many splendid series of views of its art and architecture, its landscapes and waterways, its exhibits and curiosities, are the result-and the very best result. It is the hair over again for ourselves and our children and their children-to the end of time, if they but preserve it. Let us take the initial step and have the parts of the Art Portfolios bound, that none may be
